Community Tour Questionnaire

A Community Tour typically takes about 90 minutes and provides you with an overview of the entire Siouxland Community.

The time is spent driving through residential neighborhoods discussing location, home & neighborhood amenities, price points & school districts.

The tour will also include a drive past shopping, schools, downtown, river front & commercial districts. To help customize your Community Tour please comment on the following questions:

Who will be attending the Community Tour?

Name	Relationship	Age (if child)

Any special needs I should be aware of? _____

Allergies _____
